Voyage long mais sans histoires.

A l'arrivée, l'excitation est à son comble. Nos correspondants nous attendent avec impatience !!!

Heute sind wir von Montlouis sur Loire um 8:00 Uhr weggefahren.

Die Reise war lang aber es war gut ,weil wir mit unsere Freunden waren.

Wir hatten um 12 Uhr 30 eine Pause gemacht zum Essen. Danach sind wir um 13 Uhr 30 weitergefahren.

Wir sind um 15 Uhr in Belgien angekommen und später in Holland. Die Sonne schien die ganze Zeit.

Die Reise schien uns lang , weil wir möglichst schnell unsere Austauschpartner sehen wollten. Wir sind so ungeduldig ! Wir sind endlich um 19.30 Uhr in Wesel eingetroffen.

Den Abend verbrachten wir mit unseren Austauschpartnern.

Perrine und Elodie :)

We met at quarter to eight am and we got into the bus. We stopped at half past nine am to go to the toilets. We went through Paris. We continued the road and we had a break for lunch at ten to one pm . We went through Belgium and the city of Liège. At half past one pm we continued the road. We listened to music or we spoke, we slept... At quarter past four pm we did another break. At five o'clock we went through The Netherlands. We were very happy but some people were tired.

Norah and Giulia

We arrived in front of the school at eight o'clock a.m. and we took the bus at quarter past eight a.m., there was a lot of emotion. We did a break at half past nine a.m. for ten minutes. We did a second break to eat for one hour. We arrived late and We were very excited and a bit anxious.
