Today, it's Saturday. I went with my penfriend, Nicola to the train station. Over there, we met Lou, Louise, Emmanuelle (Manou) and Lena with their penfriends. We bought tickets and we went up into the train. It was for 30' and after the train, we took the bus for 10 minutes.

Then we arrived at the CentrO and, we made groups (I was with Lou). We did shopping for 4 hours. We went to Hollister, New Yorker, The Body Shop, Starbucks and other shops. After the shopping, we ran to take the bus but we were late so we had to wait for it. We could take the bus and we went to the train station but, we had to wait for, (again) in the rain, for 45 min . We finally took the train and we came back home. Nicola and I, went to a party for a birthday and we arrived at Nicola's at 00:00.

Today, It's was Sunday so everybody did something different. At 12:20, I went to the "Burger King", with Nicola by bike. Here, we met Louise and her penfriend, Corinne. We went to the Lake together and we could enjoy the sun. We stayed there 2h and after, Nicola and me, we came back home. At home, we just had the time to change our clothes and we went to Düsseldorf (the capital of NRW). In the city, we bought ice creams and then, we went into a theater. We saw a circus show (without animals). There were : acrobats, humorists,singers and others so it was really great. In this theater, we were sitting on chairs and we could eat or drink during the show.

The show was for 2 hours and to come back home, it was for 1 hour so we came back home at 22:00.
