Premier jour : route et train

- Sorties et voyages - WESEL 2018 -

Date de mise en ligne : vendredi 20 avril 2018

Départ au petit matin 5:30. Pour cause de grève SNCF, nous rejoignons la Gare du Nord en train. Un peu d'attente à Paris puis Thalys jusqu'à Cologne. Là encore deux trains jusqu'à Wesel où nos correspondants nous attendent sous un soleil radieux !

Wednesday morning we took the bus at 5:30 in front of the school. Then we took the train at 11:47 and we arrived in Koeln at 3:15 pm. To reach our destination we took a 50-minute train and another 20-minute train to reach the station of Wesel. Our correspondent and his family welcomed us warmly. To conclude this day our corespondant made us visit and showed us the place where he lives. This day was tiring because of the journeys to reach Wesel.

For the transport we took a bus from Montlouis to Paris to go to gare du Nord. The bus was at 5:30 a.m and we arrived at 10:00 a.m. Then after we took

a train from Paris to Cologne. This trip lasted 3 days. When we arrived in Cologne we took another train but in this train there were no sits, we were standing up in the train with our suitcase. And the last train lasted 20 minutes. We arrived at 6:30 p.m.
