## Second day : at school and in town

---

Today, we went to school with our correspondent, we played games, we visited the school and we studied in the morning. After we went into the city for the rally. Then in the afternoon we were with our correspondent.

*Sarah and Louise*

Today, we went to the German school. We did a rally in the school with different quests : a lazer parcours, a chemist experience, sport and and other games. After that, we had class. The different students went with their penfriend. After that, we had lunch and the school finished. Then, we went to do a rallye in Wesel with 17 questions. After that, the students return into their family.
