Balade en vélo jusqu'au musée de Otto Pankok
Puis soirée avec les correspondants.

Friday :

We did a bike outing to go to the Museum of a painter who is Otto Pankok. We did 10 kilometers by bike, it was tiring. Theoden even broke his bike !

In this Museum there were paintings by Otto Pankok and we could see his house right next to the museum.

After we did an activity : drawing. We had to draw a painting by Otto Pankok. Mrs Bregnon draws very well.

After we came back and met our correspondent to have a free afternoon. Many people went to the lake.

To finish, we had a party in the school.
