Aujourd'hui nous avons retrouvé les élèves, à priori enchantés de leur weekend, et nous sommes partis en excursion à Münster ( 1h30 de route en bus). Pour cette journée tout le monde est de la partie ( français et allemands). A travers un questionnaire à compléter avec l'aide de leurs correspondants, les élèves vont découvrir tous les quartiers de Münster, ville connue pour le charme de son centre historique et les trois fameuses cages de fer accrochées au clocher de l'église saint-Lambert. Ils auront ensuite un temps pour faire un peu de shopping avant le retour à Wesel.

Today, we went to school to take the bus, to go to Münster to do a rally with our penfriends.

We took the bus at quarter to seven. During the rally, we asked people if they could help us.

Then, we ate at MC DoDonald's. I ate a Mc Flurry(ice cream). We went shopping, we bought shoes, a tee shirt, a plush and a jacket. We went back to the bus at quarter past one.

Then we went to Cora's and Jade's place at quarter to five. We played a game and ate an ice cream and bread.

Then Jade and me did our homework.

Today, because we did a rally in Münster, we could go shopping. At noon, I ate a very good sandwich. I had fun !

This afternoon, we went to the health park and someone stuck a ball in the trees !..

It was hilarious !
